

Thank you for your interest in our childcare program. The following are important details to know when deciding if our program is right for your family.

1. Tuition is due in advance of care and weekly tuition will be withdrawn from bank accounts each Friday for the following week.
2. If we are closed for the full week (Monday – Friday) you will NOT be billed. This includes the winter holiday break in December (December 24 – January 1) and summer.
3. If we are open for part of the week the full tuition will be charged.
4. All childcare classrooms will close at 3:15 on the third Thursday of each month to allow staff to meet as a group.
5. For families choosing 5-day care, childcare on Friday will be open from 8:30am to 4:15pm regardless of the child’s Monday – Thursday schedule.
6. All families will be required to have a \$500 deposit on account. This deposit will be applied to the final week(s) billing.
